Profile Map

On Saturday 9 December celebrate The International Day for People with Disability with Ride a Day in My Wheels with Studio ARTES.

Are you up for the challenge? How far could you ride in a wheelchair on your own? Can you find enough change in your wallet for a cup of coffee while blindfolded? Can you order your cappuccino in sign language? Can you paint a picture without using your hands? Sign-up as a rider in 2017 and join in on the challenge!

Look at life from a different perspectives and challenge yourself to fulfil a list of physical and mental tasks. The event takes place in the Hornsby Shopping Mall in partnership with Westfield Hornsby and Hornsby Council.
