Fright Night Dance Party

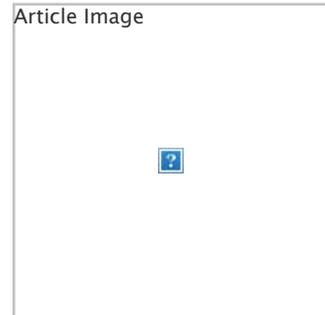

Ghouls, Ghost and Goblins

Fright Night was the theme at another fabulous night in Club ARTES. Our DJs were mixing it up with the scary, the old and new tunes. We had ghosts, witches, zombies, black cats, and many other scary characters.

Make sure you keep an eye out for information on the next dance party coming soon!

If you haven't listened to the Fright Night podcast by Studio Streamers, even though it's past it's a great listen.

Karaoke at Magpies

Rocking up a storm

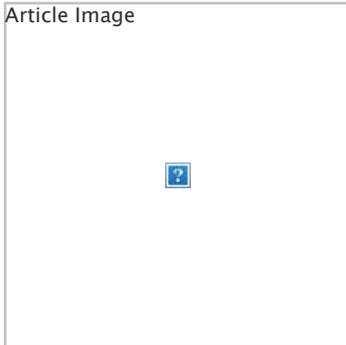

While the trivia night was happening in the Black and White room, a huge group of members and staff were singing their hearts out in the Shamrock Inn. From B52s to Beiber, there was not stop singing, dancing and fun. It was a great night organised by Jess B and judging by the feedback, we will be doing more soon!

Meet Our Staff

Introducing Rosie

Article Image

Rosie joined the studio 6 months ago and works across a number of programs and 1 on1 as well. We actually met Rosie a few years ago when she came to do some dance workshops at the old studio.

Rosie has started to lead dance on a Wednesday and is full of energy and passion for what she does, working in dance, music, art both as groups and as a 1 on1 support. When she isn't at the studio, Rosie does art class modelling, burlesque dance and photography, as well as many other things.

As a new contributor to our Facebook page, Rosie is sharing the amazing work of our members and staff.

Fairholme Quilters Fair

Supporting Studio ARTES

The bi-annual Fairholme Quilters Fair was held in April, and Studio ARTES represented with a stall showing the skills of our weavers. Manned by our volunteers, the support from the quilting community was amazing. Not only did Studio ARTES sell merchandise over the weekend, but were the recipients of the raffle held by Fairholme, raising \$3000 for the studio. A big thank you to everyone at Fairholme and our wonderful volunteers.

New Dance Floor

The dance floor is in!

We finally have a dance floor in the studio! The floor and its installation was made possible by a grant from the Commonwealth Stronger Communities Program via Julian Leeser, a donation from Miller Noyce Lawyers, and support from Complete Glass Projects.

Our dance and music groups and their staff are loving it, and we are looking at possible evening dance classes and courses running from the studio, both public and supported. Watch this space!

Other ways to help

Support us by supporting our supporters

Local businesses support us in a number of ways. Through holding fundraising drives, sponsoring our shows and donating prizes to silent auctions and raffles. Below are some of the fundraising campaigns by some of these businesses that are running in May. Please support us by buying from them. Check out their websites and like their Facebook pages too!

Officeworks

We are so happy that Officeworks has chosen us to be the beneficiary of their Round Up to Make a Difference campaign! The objective is to raise funds by asking customers to 'round-up' to the nearest dollar when making a purchase. E.g. \$9.95, would be rounded up to \$10.00. So next time you're heading in store any time throughout May, please think of us and give generously!

Bendigo Bank

Bendigo Banks Referral Rewards program is one of the many ways they put back into the community. Under the program, when someone from a community group draws down a home or investment loan, a \$500 donation is given to a group of their choice. For more information, contact Sharon or Dean and make sure you mention you've come from Studio ARTES.

Hornsby Railway Hotel

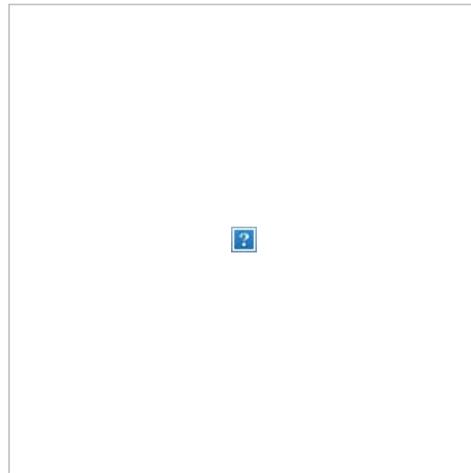

The Hornsby Railway hotel have been running fundraising drives for Studio ARTES through their raffles, and events such as Anzac Day two up. Head down to the Railway and buy a ticket to support Studio ARTES, while enjoying a drink and a great meal in their bistro.

Rotary Club of Hornsby District

A hige night of entertainment, fun and brain strain was run by Rotary on May 4th in support of Studio ARTES. Rotary support us throughout the year through various fundraising events. Rotary are looking for scommunity minded volunteers to join their club to help them make a difference in the community. Join them now!

Laing and Simmons Hornsby

The new principle of Laing and Simmons Hornsby Karen Hard recently came to meet with us at the studio. She announced that Laing and Simmons have a dedicated fund in the office's name to benefit local charities including Studio ARTES. For every property sold, \$250 will be put into the fund and shared amongst the recipients. Thank you Karen and the team.
