**Art with Jill:** Painting, drawing, mixed media-. Discover your endless potential by experimenting with composition, tone shape and colour. Collaborate on Zines and share pictures and stories through art. Explore art movements and topics such as still life, pop art, assemblage... and more!

**Textiles with Liz:** This program is designed to support you to continue your textile art projects with online. Each week Liz will teach a new textile skill or you can also choose to do your own projects. The members of this class are also invited to complete a collaborative art project. You collaborate on a travelling art project, where each artist will be sent the project via mail and then send it back for it to be posted to the next artist.

**Performance with Keila:** Storytelling has always been a powerful tool that transcends language barriers, cultural and physical limits. In this session, members will be given the opportunity to explore their creative gifts through drama, dance music and film.

**Dance with Sally:** Each week Sally will guide everyone through a dance workshop exploring a different dance style. While staying safe at home you can develop your fitness while creating fun performance pieces.

**Pets with Eve:** This group is all about our much loved animal friends! Each week members will learn about different pets and how to care for them, share funny stories about them, and participate in games and activities about pets and animals.

**Photography with Bernie:** For this session, you will need your own phone or ipad ready to take photos on. Check in with staff and members at the beginning and end of each session

to share your work and get editing together! Complete photography projects in your own home using phone, or tablet.

**House Party:** Your Friday afternoons will be about dancing, games, dressing up and having fun. A special 2 hours Zoom party session bringing the fun to you. Each week will have a theme, you'll end the week with a smile and lots of good songs.
